Bethel Jaycees to Host State President

The Bethel Jaycees have announced that Nate Cyr of Van Buren, Jaycee State President, will be guest speaker at a supper meeting on Wednesday, March 6th.

Mr. Cyr, a communications consultant for the New England Tel. and Tel. Co., was elected State President at the annual Jaycee convention in May of 1962. A dynamic personality, Nate has held various offices on the local and state level, including local president, state vice president and National Director.

The Jaycee supper meeting will be held at the Mundt-Allen Post of the American Legion and is open to any men interested in local improvements. The Jaycees only ask that reservations for the supper be made with President Sonny Blake or John Greenleaf by March 3rd.

The Bethel Jaycees urge all young men between the ages 21 to 35 inclusive to attend this supper meeting and give serious consideration to joining the Jaycee movement in Bethel. Not only will you be helping your community, but you will also be afforded unlimited opportuni-

ties for one's own personal expansion. A special invitation is also extended to older men who would wish to know more about the Jaycee movement and to see first hand the calibre of young men that represent this organization to the State and Nation.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

I stated last week that I would attempt to explain the reason for increases in the highway accounts. The town hasn't had to raise money for highway equipment at town meeting for several years. The equipment is bought from the truck rental account. The truck rental account gets funds by charging the other accounts when the trucks or loader or grader work on roads or winter roads.

In addition to buying new equipment the truck rental account also pays for gas and oil to operate the equipment, oil to heat the town garage, water at the garage, lights and telephone at the garage, repairs on equipment, and parts for equipment.

The rate that the town has been charging itself and others for the use of equipment hasn't been enough to keep up with rising costs. The town has been charging less for the use of trucks on town roads than individuals get for plowing with Jeep or Scout plows.

The selectmen have revised the equipment rental rate so that money will be available to purchase new equipment when needed and repair the present equipment. The town must either raise more money for equipment rental rates or face the task of making large appropriations at future town meetings to buy equipment.

The increase in surfacing is due to the fact that \$5,500 of the money for surfacing last year was not spent and went into surplus at the close of the year. The 1961 and 1962 town road improvement must be mulched and Mechanic Street must be mulched along with the ordinary tarring.

Michael Houlihan

Mr. and Mrs. Albert Costa, Jr., and son, and Gerald Freeman, of Boston, were guests, Friday to Sunday, at the home of Mrs. Marjorie Freeman.

REV. CALVIN CHAO TO BE LOCAL CHURCH SPEAKER

Rev. Calvin Chao will be the speaker Saturday evening, March 2, at 7:30, at the Church of the Open Bible. He is founder and executive director of Chinese for Christ, Inc., and is known as China's Billy Graham.

Rev. Calvin Chao

Rev. Chao is one of the outstanding Chinese evangelical leaders known to and loved by many missionaries and Chinese Christians in Southeast Asia. During the last five years, since he and his family came to the U. S., he has traveled quite extensively in the United States and Canada as a missionary-evangelist.

Rev. Chao's early associations were mainly with the Southern Presbyterian mission. While studying in a mission college, he was confused by intellectual difficulties and was alienated from his early faith. It was during three years of illness that he was won back to Biblical Christianity and had a definite experience of salvation through the ministry of an American missionary. He felt called of God to work among the Chinese students who went through the same kind of difficulties. He started out in full time ministry as an evangelist in 1935.

SCHOLARSHIP AWARDS GIVEN 489 AT U. OF M.—LIST COUNTY STUDENTS

Scholarship awards have been made to 489 University of Maine upperclass students this year. It has been announced by Financial Aid Director Robert C. Worrick.

The total value of the awards amounts to \$148,345, as compared to \$129,996 awarded last year, Worrick said. More than 1,000 students applied for assistance this year, he added.

These figures include grants made to students at both the Orono and Portland campuses. They do not include scholarships and grants awarded by the University of Maine Pulp and Paper Foundation and private organizations.

Oxford County students receiving the university awards were:

Bethel: Richard Bennett, Timothy Carter, Meredith Ring, Buckfield: Peter Young, Canton: Linda Dyke, Dixfield: David Young, Fryeburg: Thomas Hardecastle.

Hebron: Calvin Gammon, Freda Gammon, Mexico: Lee Bauer, Dennis Kenney, Edmund Rancourt, Norway: David Brown, Rupert Grover.

Paris Hill: Marcia Harithas, Rumford: Raymond Baum, Leroy Lambert, Ann Shea, Peter Stanillas.

South Paris: Michael Haley, Peter Sawtelle, Judith Stone, West Paris: Gary Goodwin.

Flags went with them, always displayed, always planted gloriously, as a sign of victory and conquest for king and country.

The story of the origin and development of our own American flag is the story of our country's beginning and growth.

This was well illustrated and told by the pupils as they showed flags of such early explorers as the Vikings, Columbus, Cabot, Verrazana, Hudson, and many others.

Other subjects covered were: The Flag Code, State Flag, Colonial Flags, Changes in the Flag, the Origin of the Pledge of Allegiance, and the American Flag in Word and Song.

One child closed his unit with this poem he found. Tossed by the wind against the blue sky

The flag of our Country Waves gently on high. Long, long ago when our country was new.

Men thought up their flag Of red, white, and blue. They thought of the stripes and the field of blue.

With the white pointed stars Shining brightly through. They gave us this flag, and everyone knows It stands for our country Wherever it blows.

RED CROSS SWIMMING INSTRUCTION

It makes one shiver to think of swimming, and it borders on the ridiculous to even talk about it with so much snow and cold weather covering the countryside.

This is the time, however, to make the plans for the Red Cross Swimming Classes for the summer of 1963. Included in the plans is the item again being submitted in the Town Budget for an appropriation of \$600.00 to cover the major cost of the bus transportation for the Bethel area.

Last year's appropriation of the same amount approved by the citizens of Bethel, resulted in the largest enrollment of swimming students and certificates of achievement awarded, in history of the Red Cross Swimming Classes, except for those years when we also took a large group from Locke Mills. Two hundred pupils were enrolled in 1962 and 142 certificates were awarded under the instruction of Miss Beverly Blake. The previous year when we relied wholly on private transportation only 138 were enrolled and 119 completed the course.

The Red Cross Swimming Program is not a sports program. Neither is it simply an organized play-time program to fill up the leisure time of young people during the summer. Instead it is an investment in Water-Safety for young people at a time when more and more families are spending more and more time on and near the water. For this reason of safety alone, we hope the citizens of Bethel will again give their approval of the budgeted item for transportation.

The National Red Cross Annual Drive is announced for the month of March. A large portion of our local contribution is used to finance the training and cost of instruction. Transportation must come

SCHOOL NEWS

Mrs. Marion Coolidge is confined to her with pneumonia. Mrs. Alden Kennett is substituting at the West Bethel school for Mrs. Coolidge.

The following students have joined an exclusive club, "The Broken Legs Club." Those having membership are Karen Brown, Michael Myers, Peter Kelley, Christopher Murphy, Robert Gilbert, and Craig Paul. We hope to see you all back to school soon.

There has been a new electric range installed in the kitchen at the Crescent Park School. This new range will give the additional cooking facilities which have been needed. An average of 240 students per day eat hot lunch at Crescent Park.

Soon the library at CPS will have science research books added to its book collection. These books will be bought from money earned during the magazine drive.

Mrs. Turcotte's fourth grade has formed a News Club. The purpose of this club is to improve their knowledge of current events. Officers elected are as follows: President, Susan Hutchins; Vice President, Linda Buck, and Secretary, Deborah Royer. There will be three groups of reporters. One group will cover local, one national, and one international affairs.

from other sources, hence, the appeal for your support so that the best instruction can be made available to the greatest number of our Bethel young people.

Our plans at the present are being based on the expectation that Miss Beverly Blake will again be the instructor, and on the hope that the citizens of Bethel will approve once more, the item in the town budget, that will guarantee the major portion of the cost of transportation.

20 SECONDS with the NAZARENE

Christ taught His disciples to pray by instruction and example. The Christian soon realizes that he is better or worse as he prays more or less. Like the camphor in the silver chest that keeps the silver from tarnishing, so an attitude and atmosphere of prayer will keep the shine and sparkle of the redeemed soul.

SPOON AND HOE 4-H

The Spoon and Hoe 4-H Club met at the home of their leaders, Mr. and Mrs. L. J. Bailey, on Feb. 23.

The meeting was called to order by Chris Bailey, president. For a song, we sang "Happy Birthday" to Henry Deegan. We gave the flag salute and Anita Young presided over the club pledge. The roll call was asked with 15 present and two absent. The report of the last meeting and the treasurer's report was given also.

For old business, the secretary passed out the judging sheets that were received from Rusty dealing with the Demonstration Tournament at East Bethel. The enclosed letter was mentioned and read also.

For new business, the members were reminded that there would be another judging contest this coming Saturday, March 2, 1963. Also next Saturday, each member is to bring one article or project that they have made to be exhibited in Brown's Variety Store window during National 4-H Week. Each member was also reminded to have a note-book by March 9, because we would use that meeting to complete them up to this date. One of the leaders, Mrs. Bailey, brought up the subject of the annual bazaar that is held here once a year on Mollycoddett Day. The members have been asked to be thinking of plans for a float to be entered by our club. The discussion on this subject will be taken up in months to come. Meeting adjourned.—Club Reporter, Donald Young, RFD 1, Bethel.

LETTERS TO THE EDITOR...

Feb. 26, 1963
Carl Brown, Editor
The Bethel Citizen
Bethel, Maine
Dear Mr. Brown:

May I through your columns express my concern over the Bethel Budget Committee's recommendation "Negative" on the requested appropriation for the Maine Publicity Bureau.

This evidently have concluded this is paying for a duplication of effort according to last week's Citizen.

Certainly not any local group does this work, and if it is thought to be a duplication of the State Department of Economic Development work, it is an incorrect conclusion not based on fact.

The Maine Publicity Bureau performs many promotional services for this State in respect to both industrial and recreational development.

Their distribution of literature on the State, its businesses and attractions, through the mail, and over the desks of its information offices here in the State and in other places outside, also at conventions, and places like the Eastern States Exposition, arouses interest of thousands of people, who promptly respond by visiting Maine, or purchasing our products.

Their assistance to the visitor in Maine through their carefully given travel service, is spoken of with enthusiasm by people all over the United States, and in foreign countries.

The work of the Bureau has been regarded with envy, and used as a model by many states. It pioneered the field of State promotion. We should be proud of it — especially in Maine when we value our independence, and like to encourage private enterprise.

The Bureau through its memberships and municipal appropriations supports a program which goes hand in hand with the State financed promotional

West Paris will hold its annual town meeting, Tuesday, March 5, in the School Gymnasium at 7 p. m. This meeting signifies the completion of five years as a Town. The following officers whose terms expire announce that they are candidates for re-election: Selectman, Assessor and Overseer of the Poor, Howard Gurney; School Board Member, Jacob Immonen; Clerk, Collector and Treasurer, Marie L. Hibler; Road Commissioner, Maurice Hadley; Fire Chief, William D. Edmunds.

The interest of all town meetings seems to center around the raising of money for the various departments. The following shows just how each

tax dollar was spent in the year 1962: School, .52; snow, .088; highways and bridges, .066; poor, .055; equipment, .044; school building fund, .044; town officers, .041; tar, .039; county tax, .026; fire department, .018; street lights, .013; miscellaneous, .012; State aid, .012; hydrant rental, .017; grader note, .011; office expense, .007; insurance, .006; dump, .006; civil defense, .005; surplus commodities, .005; interest, .005; FICA, .004; ADC, .003; bushes, .002; abatements, .002; group insurance, .002; honor roll, .002; library, .002; health nurse, .001; state publication, .001; memorial day, .001.

Two articles will be of much interest to the townspeople. One will be the presentation of Ordinances for approval. Ordinances contribute to the well being of a community by regulating potential problems. The Legislature has provided that a town may increase the number of school board members from three to five. This will be presented for consideration of the citizens. Most other articles are routine matters pertinent to the local government.

HOW TO CUT OIL HEAT COSTS

The LUCE OIL CO.

offers six tips that can help
you get more warmth from
your heating oil dollar

1. Keep your oil burner clean. Today's Shell Heating Oil contains special additive FOA-5X. It helps keep critical burner passages free from clogging to assure better firing.
2. Guard against tank rust. Shell Sonitol® anti-rust treatment helps protect your storage tank up to three full years, at no extra cost.
3. Check your thermostat location. If your thermostat is in a stairwell,

- on an outside wall or near an outside entrance—it may cause your burner to operate more often than necessary.
4. Shut off radiators or registers in rooms that aren't in regular use.
5. When fireplaces are not in use, make sure dampers are securely shut.
6. Keep attic ventilators closed during the heating season.

SOUTH WOODSTOCK

— Mrs. Olive Davis, Cor. —

The Willing Workers met at the home of Mrs. Lenwood Andrews Wednesday evening, Feb. 13. Election of officers was held and the secretary was authorized to cast one ballot for the slate of incumbent officers. The officers are: President, Esther Davis; Vice President, Patty Thurlow; Secretary, Wilma Hendrickson; Treasurer, Jessie Andrews.

The President reported having interviewed Warren Waterhouse concerning the papering and painting of the Union Church.

It was voted to hold a foodless food sale at our next meeting. It was also voted to start a traveling box. Eleanor Koskela won the mystery package. Offer the business meeting a bit of fun was indulged in whereby each one was given a sheet of paper and then instructed on how to find the "hole in your hand." It's a trick of optical illusion. After that each one tried to fold their sheet of paper eight different times. A complete sheet of newspaper was then used. It is impossible to do. Try it and see.

Those in attendance were: Jessie Andrews, Wilma Hendrickson, Esther Davis, Marta Clements, Connie Hammond, Eleanor Koskela, Laura Heikkinen, Zella Silver, Barbara Cash and the hostess, Hazel Andrews. Refreshments were served. The next meeting will be March 13th at the home of Bernice Davis.

Mrs. Lillian Hamon who has been visiting her sister, Mrs. Ellis Davis, returned home Saturday.

Eino Heikkinen is gaining from a respiratory infection which he has been having for the last month.

Stuart Thurlow and Ellis Davis went to Kozzy Nook on North Pond to shovel off the roof of the camp. The snow is getting heavy and needs to be removed on all buildings.

Mr. and Mrs. Don Mason were in Massachusetts this week end visiting Mr. Mason's father, who is not very well.

Mrs. Neva Battles of Raymond is visiting her cousin,
